NB I understand that failing the polygraph or the background investigation will likely negatively affect my future employment opportunities with the U.S. Intelligence Community and any other federal government agencies.

NB I understand that if either (1) my SF-86, interview, polygraph, and drug test are not successfully completed by October 2, 2025, or (2) the investigative phase of my background is not completed by March 2, 2026, I may be discontinued from the hiring process.

NB I understand that if I cannot report to the FBI location at the scheduled time for my interview, I may be discontinued from the hiring process.

NB I understand that if my documents do not include all of the required information, I may be discontinued from the hiring process.

NB I understand that I cannot report to an FBI field office or FBI division unless I receive a Final Offer Letter.

NB I understand that the FBI strongly suggests that I ***do not*** sign an apartment lease or enter into any housing agreement until I have received a Final Offer Letter with an official report date. ***The FBI does not guarantee that your background investigation will be completed by the start of the program.***

By initialing the above items, and signing below, I accept these terms for the 2026 FBI Honors Internship Program.
